WAIT, WHY ARE WE EVEN HERE IN THE OCEAN ANYWAY?
CAN'T YOU EXPLAIN THAT TO ME AND THE READERS?
YOU WANT ME TO EXPLAIN?

OKAY!
I have borrowed 3,000,000 yen from Ritori-tan

I O U
I WAS TRICKED BY A WOMAN I MET AT A BAR.

ARE YOU OKAY?
THIS IS MY COMPANY'S UNIFORM.
WHO ARE YOU? A MAID?
WOW, THEY EVEN HAVE MAID CAFES HERE NOW...
NO, THAT'S NOT IT...
NOT AT ALL.
EH?
LET'S PLAY WITH SOME TITS!
KYAA!
I HAVE BILL COLLECTORS ON MY ASS EVERY DAY!
I DON'T HAVE ANY MONEY,
I DON'T HAVE A JOB,
WHAT ARE YOU DOING?!
AH!

IF I'M THROWN IN JAIL FOR MOLESTATION, AT LEAST I'LL BE ABLE TO EAT EVERY DAY...
I'M TIRED OF THIS, MOMMY...
Umm...

THEN HOW ABOUT THIS?
Eh?

...
WHAT?
OH, I GUESS YOU DON'T KNOW WHAT I'M TALKING ABOUT.
SORRY.
UMM.
WOULD YOU BE MY CAPTAIN?
??
COELA-CANTH? MEGA-MOUTH?
THEY WERE RECENT TARGETS OF OURS.
YOU MAY HAVE HEARD OF SOME OF THEM... COELACANTH, MEGAMOUTH,
IS TO CAPTURE STRANGE CREATURES AND ANIMALS THAT ARE SAID TO BE EXTICNCT.
THE PURPOSE OF OUR COMPANY, ALEXANDRIA,
Megachasm

IF YOU WILL HELP,
I'LL TAKE CARE OF ALL YOUR DEBT.
Eh?
HOW ABOUT IT?
I DON'T THINK IT'S A BAD DEAL.
WILL YOU BE MY CAPTAIN.
AND SAIL THE SEAS WITH ME?
...
YOU'D HAVE TO BE CRAZY TO BELIEVE THAT.
BUT AT THAT POINT,
I WAS CRAZY.

I'M SORRY.
IF IT WEREN'T FOR YOU, I'D REALLY BE IN JAIL.
Ah
IT'S NO BIG DEAL,
土下座。
YA!
SINCE YOU'RE HELPING ME WITH MY WORK.
...
I'VE NEVER DONE ANY FISHING, SO I DOUBT I'LL BE MUCH OF A HELP.
YEP.
SO YOUR JOB IS JUST CHILLING OUT IN THE OCEAN AND FISHING?
THAT'S FINE.

THE FISHING PART IS JUST TO GATHER BAIT.
I WON'T NEED YOUR HELP UNTIL THE TARGET APPEARS.
WHAT'S THAT?
Umm.. FISH BLOOD AND MEAT AND SUCH.
I'M TRYING TO LURE SHARKS OVER.
SHARKS?!
OH? IT'S RITORI.
WELL....
WHY WOULD YOU LURE SHARKS OVER HERE?!
Umm..

PHALEM!
WHAT'S UP WITH THAT GUY WITH THE BOXERS?
SURELY HE ISN'T YOUR CAPTAIN.
WHO'S THAT?
MY CO-WORKER, PHALEM CHIYOKO.

HEY, WHAT ARE YOU DOING?!
IT'S OUR CURRENT TARGET.
MEGA-LODON...?
WE'RE GOING TO CATCH MEGALODON!

IN 1918, A GROUP OF SCIENTISTS WHO WENT TO THE FLOTON ARCHIPELAGO IN AUSTRALIA TO RESEARCH THE SPINY LOBSTER RETURNED TO THE PORT WITH PALE FACES.
THEY SAID AN ENORMOUS CREATURE KEPT DESTROYING THE ONE METER IN DIAMETER STEEL BASKETS THEY WERE USING TO CATCH SHRIMP.
MOST PEOPLE WOULD THINK IT WAS JUST A WHALE,
BUT THEY WERE SPECIAL-ISTS,
AND SAID IT WAS NOTHING LIKE A WHALE.

WHAT THE HELL... IS THAT?
NO WAY...
THERE CAN'T BE A SHARK THAT BIG!
AND WHY WOULD YOU SAY THAT, BUM?

70% OF THE WORLD IS COVERED WITH WATER,
AND 95% OF THAT IS OVER 200m DEEP, WHAT IS KNOWN AS DEEP SEA.
PLACES WHERE THE WATER PRESSURE IS SO GREAT
THAT HUMANS HAVE NOT YET BEEN ABLE TO REACH!
THESE DAYS, NEW SPECIES ARE CONSTANTLY BEING DISCOVERED IN DEEP SEA.
AND THERE ARE SEVEN SEAS SPREAD OUT ON THIS PLANET FULL OF WATER.

"CAN'T WORK MIRACLES"?
I JUST DON'T GET IT, RITORI.
IS THIS USLESS GUY THE CAPTAIN YOU WERE SEARCHING FOR?
WHY WOULD YOU WHO IS ALREADY POOR GO THREE MILLION INTO DEBT FOR THIS GUY WHO CAN'T EVEN HELP YOU?
HUH?
IF YOU WILL HELP,
I'LL TAKE CARE OF ALL YOUR DEBT.
WHAT IS SHE TALKING ABOUT?
RITORI...
WHAT? YOU DIDN'T KNOW?
A HA HA HA HA!
REALLY, WHAT A NAIVE PERSON.

ONCE THERE WAS A WOMAN WHO RIVALED ME AS A TOP ACHIEVER.
ACTUALLY, HER OLDER BROTHER WAS THE CAPTAIN.
THEY CAPTURED A TON OF STRANGE CREATURES.
BUT ONE DAY,
THEY MET UP WITH THAT MEGA-LODON.
IT'S NOTHING LIKE COEL-CANTH OR MEGAMOUTH.
THEY LOST THEIR SHIP AND CAPTAIN GOODS TO THAT VIOLENT BEAST.
AND EVEN THE BROTHER
WAS LOST AT SEA.

AND SHE HAS BEEN CHASING AFTER MEGA-LODON TO THIS DAY.
DRIVING HERSELF INTO DEBT.
GET IT?
I JUST FELT LIKE...
I WANTED ONE MORE CHANCE...
I'M SORRY, SEKAI-SAMA.
EVEN SO, CHARGING IN WITH THE BOAT IS JUST RECKLESS...

LET'S GO BACK.
I CAN'T PUT YOU IN DANGER OVER MY OWN SELFISHNESS.
AND NOW THAT PHALEM IS HERE,
SURELY SHE WILL CATCH MEGA-LODON INSTEAD, SO...

PIRATELATOR NOTE

While working on this chapter, I noticed that some of the events described in this manga *actually did* happen. I know, it's amazing. Anyway, here's some information I stole from the internet. Enjoy.

Megalodon (Chapter 1)

THEY SAID AN ENORMOUS CREATURE KEPT DESTROYING THE ONE METER IN DIAMETER STEEL BASKETS THEY WERE USING TO CATCH SHRIMP.
IN 1918 A GROUP OF SCIENTISTS WHO WENT TO THE FLOTON ARCHIPELAGO IN AUSTRALIA TO RESEARCH THE SPINY LOBSTER RETURNED TO THE PORT WITH PALE FACES.
AND SAID IT WAS NOTHING LIKE A WHALE.
BUT THEY WERE SPECIALISTS
IT WAS JUST A WHALE.
MOST PEOPLE WOULD THINK

"In the year 1918 I recorded the sensation that had been caused among the outside crayfish men at Port Stephens when, for several days they refused to go to sea to their regular fishing grounds in the vicinity of Broughton Island. The men had been at work on the fishing grounds—which lie in deep water—when an immense shark of almost unbelievable proportions put in an appearance, lifting pot after pot containing many crayfishes, and taking, as the men said 'pots, moorings lines and all.' These crayfish pots it should be mentioned were about 3 feet 6 inches [1 06 m] in diameter and frequently contained from two to three dozen good-sized crayfish each weighing several pounds. The men were all unanimous that this shark was something the like of which they had never dreamed of. In company with the local Fisheries Inspector I questioned many of the men very closely and they all agreed as to the gigantic stature of the beast. But the lengths they gave were on the whole absurd. I mention them, however, as a indication of the state of mind which this unusual giant had thrown them into. And bear in mind that these were men who were used to the sea and all sorts of weather, and all sorts of sharks as well. One of the crew said the shark was "three hundred feet [90 m] long at least." Others said it was as long as the wharf on which we stood— about 115 feet [35 m]. They affirmed that the water "boiled" over a large space when the fish swam past. They were all familiar with whales, which they had often seen passing at sea, but this was a vast shark. They had seen its terrible head which was "at least as long as the roof on the wharf shed at Nelson's Bay." Impossible, of course! But these were prosaic and rather stolid men, not given to "fish stories," not even to talking about their catches. Further, they knew that the person they were talking to (myself) had heard all the fish stories years before! One of the things that impressed me was that they all agreed as to the ghostly whitish color of the vast fish. The local Fisheries Inspector of the time, Mr. Paton, agreed with me that it must have been something really gigantic to put these experienced men into such a state of fear and panic."

Octopus Giganteus

FROZEN FOOD
WITHOUT EVEN BOTHERING TO ANALYZE THE DNA, THEY CONCLUDED THAT IS WAS THE CARCASS OF A SPERM WHALE
THE REMAINS OF A MOLLUSK-LIKE CREATURE ARE FOUND
YEAR 2003 ON THE COAST OF CHILE

"Chilean scientists said their study of a huge blob of flesh found on a Pacific beach about three weeks ago concluded it was the carcass of a sperm whale, ending speculation of a giant octopus.
Scientists have been baffled by the 12 metre long mass of gelatinous tissue found on a remote beach in southern Chile, with initial hunches ranging from whale blubber to a disputed species of giant octopus.
Researchers at the Museum of Natural History in Santiago were the first to reach a conclusion after analysing samples of the decaying specimen and finding glands of a sperm whale.
"It has not been necessary to do DNA analysis in order to obtain identification, it was enough to find the dermal glands that belong only to this group," the scientists Sergio Letelier and Jose Yanez said in a statement. [...]"

"Two boys came across a curious piece of flotsam on a Florida beach on Anastasia Island near St. Augustine. The year was 1896."
[ ]
"Verrill pronounced the specimen an octopus, octopus gigantens Verrill, 1897. Florida was then to a degree an American national boondocks, and getting experts to the flesh that lay rotting on the beach was not an easy matter. Moving the matter any distance was equally problematic, and the tide seemed inclined to reclaim it. Chunks were cut, however, and sent to Dr. Verrill and William Healy Dall of the Smithsonian Institute.
The scientific community had only just come to accept the giant squid, in the 1890s. Octopus giganteus proved too much, and, under pressure, the cephalopod specialist reexamined the samples cut off, and changed his mind. He said it was probably a whale, decayed. That this hypothetical cetacean was also apparently filleted, as well, was not addressed. The photographs and illustrations do not look much like a whale, were it not for the size, anyone even remotely familiar with marine life would immediately identify it as the remains of a cephalopod." SO WHAT ABOUT THE OCTOPUS THING?!
YES SIR!
GOT IT?!
A FEAST AMONG BEASTS WITH A BOUNTY OF TWO BILLION
IT WAS THE SAME THING SEEN IN FLORIDA IN 1896! OCTOPUS GIGANTEUS!

By the way, you know that "This is a work of fiction, any relation to (ry" shit that appears in everything Japanese? Yeah, I've been removing them, but they're definitely in every chapter of this. Oh Minaduki.

I'M SO BACKED UP!
OF COURSE I AM!
WITH NO TIME TO JACK OFF...
STUCK ON THIS CRAMPED SHIP WITH A HALF-NAKED GIRL
ドーーーん

IT LOOKS LIKE IT.
IT SEEMS IT WAS DAMAGED WHEN WE WERE ATTACKED BY THE OCTOPUS GIGANTEUS A WHILE BACK...
HUH?
THE SHIP'S ENGINE IS BROKEN?
THE ONLY THING THAT'S BADLY DAMAGED IS THE GENERATOR. THE SUPERCONDUCTIVE ENGINE ITSELF SEEMS FINE.
SUPER CONDUC-TIVE?
HOLD IT. SUPER-CONDUCTIVE, YOU MEAN THOSE THINGS USED IN LINEAR MOTOR CARS AND STUFF?
THEY'RE STILL IN DEVELOP-MENT!
YES, BUT THIS SHIP IS ALSO A CAPTAIN GOOD.
...
WELL, WHAT-EVER...
SO? CAN IT BE FIXED?
HALF OF IT NEEDS TO BE REBUILT, SO IT WILL TAKE ABOUT ONE WEEK...
ONE WEEK?!

W- WAIT WAIT WAIT!
BASICALLY, WE JUST NEED ELECTRICITY, RIGHT?!
WHY DON'T WE JUST USE THIS INSTEAD?!
WE CAN'T USE THAT!
POSEIDON'S VOLTAGE IS SO HIGH THAT IT COULD BREAK THE ENGINE...
WE COULD USE THE SAILS IF THE WIND WAS BLOWING,
BUT ACCORDING TO THE WEATHER MAPS, IT'S GOING TO BE A WHILE...
IF THE SUPER-CONDUCTIVE ENGINE IS BROKEN, THE REPAIRS WOULD COST A HUNDRED MILLION...
HUN-DRED MIL-LION?!
I CAN'T BORROW ANY MORE MONEY FROM THE COMPANY.
SO IF THAT HAPPENED, WE'D HAVE NO WAY TO MAKE MONEY ANYMORE.
OH SHIT! I WAS GOING TO PICK UP A PORN MAGAZINE OR TWO AT SEA HEAVEN TODAY!

I WENT OFF ON MY OWN LOOKING FOR MEGALODON, DESPITE EVERYONE'S WARNINGS.
THE OCEAN DURING THAT TIME SEEMED SO FADED,

HONESTLY, IT DOESN'T REALLY FEEL LIKE I'M HELPING OUT MUCH.

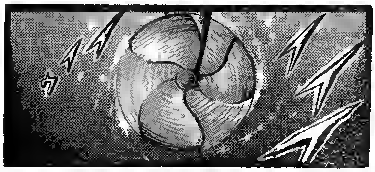
WHAT'S WRONG, RITORI?!
SHE HAS A FEVER...
WHAT'S GOING ON?
COULD IT BE...
THAT THE STUFF THAT CAME OUT OF THE NAMAKO
WAS SOME KIND OF POISON?!
FOR NOW,
I'VE GOT TO CALL FOR HELP.
AH, SHIT!
THE NAMAKO ATE THE RADIO!
WELL THEN,
チラ

THAT IT COULD BREAK THE ENGINE.
POSEIDON'S VOLTAGE IS SO HIGH
WE'D HAVE NO WAY TO MAKE MONEY...
IF THE SUPER-CONDUCTIVE ENGINE IS BROKEN,
HMM,
...



WELL,
IF WORSE COMES TO WORSE, I'LL JUST HAVE TO SWIM WY WAY TO THE UNCONFIRMED LIFEFORMS.

IT'S OVER-WORK.

HOW HER BROTHER WAS KILLED BY MEGALODON...
IT MUST BE BECAUSE OF THAT.

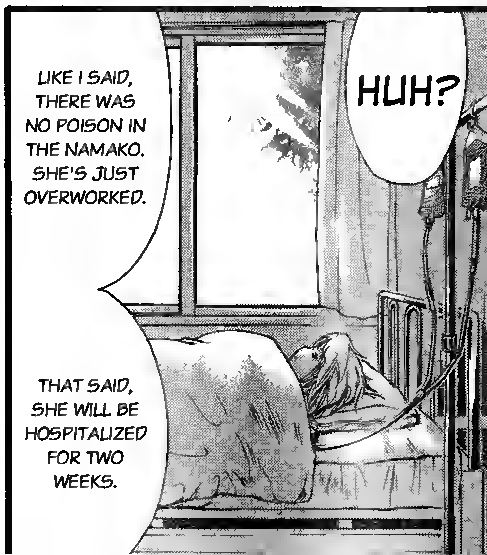
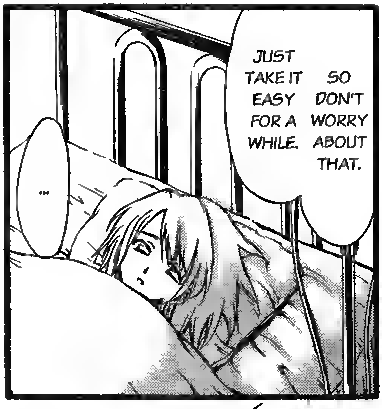
TENDS TO COME OUT ALL AT ONCE.
AND SHE WAS ALWAYS GOING OUT TO SEA ALONE.
ALWAYS WORKING SO HARD.



HUH?
LIKE I SAID, THERE WAS NO POISON IN THE NAMAKO. SHE'S JUST OVERWORKED.
THAT SAID, SHE WILL BE HOSPITALIZED FOR TWO WEEKS.

SHE WAS PROBABLY RELIEVED
AFTER SHE MET YOU...
CAP... TAIN...
IS THE... ENGINE... OKAY?



JUST TAKE IT EASY FOR A WHILE.
SO DON'T WORRY ABOUT THAT.

BUT I WAS ABLE TO CATCH ONE OF THE NAMAKO,
SOME SCREWS WERE MESSED UP,
YEAH, IT'S FINE.
SO THE BOUNTY SHOULD COVER IT.

WELL,

NO...
THOSE GUYS FROM PASTEL WOULD LEND HER A SHIP OR TWO.

YOU REALLY BUSTED IT UP AGAIN♪
WHAT IS IT, CHIYOKO? ARE YOU HERE TO HARASS ME?
WHOA, 750 MIL-LION?!

I'LL DO SOMETHING ABOUT THE REPAIR FEE MYSELF.
EH?
I WAS THINKING,
MEGALODON MIGHT BE PART OF THE REASON RITORI COLLAPSED, BUT HALF OF IT MUST BE MY FAULT,
BECAUSE RITORI ALWAYS STEERS THE SHIP, SEARCHES FOR TARGETS, DOES MAINTENANCE, AND EVEN COOKS.
ALL I CAN DO IS USE POSEIDON. I CAN'T DO ANYTHING ELSE.
IT'S LIKE I'M FORCING RITORI TO DO ALL THE WORK,
SO...
THE REPAIR FEES AND OUR DEBT ARE MY RESPON-SIBILITY.
...
HMM

THAT'S THE THING...
...
SIGH
uu!
THEN HOW DO YOU PLAN TO MAKE MONEY?
HUH?
YOU CAN COME WITH ME.
SINCE
THERE'S NOT MUCH ELSE YOU CAN DO!
I'M SAYING
YOU CAN RIDE ON MY SHIP UNTIL YOU PAY OFF YOUR DEBT!
OF COURSE YOU WILL! YOU'LL WORK YOUR ASS OFF!
THANK YOU....
I'LL WORK REALLY HARD...
CHIYO-KO,
THERE'S NO OTHER CHOICE!
